1.0 Policy Intent

The City of Cold Lake acknowledges that organizations and individuals may be interested in renting particular City equipment. The City wishes to make particular pieces of equipment available for rent to the public. As such, the City will set parameters to ensure rentals are offered to the public in an open and transparent manner while managing liability and without compromising City of Cold Lake assets.

2.0 Purpose

The purpose of this policy is to:

- 2.1 Identify the particular pieces of equipment which may be offered for rental to the public.
- 2.2 Define guidelines and requirements for rentals.
- 2.3 Establish a central manager for the rental of City equipment.

3.0 Policy Statement

- 3.1 The City of Cold Lake acknowledges that the public may wish to use particular pieces of City equipment for events, community gatherings, and celebrations. Making City equipment available to the public for rental assists the organization hosting the event and supports community development.
- 3.2 The City of Cold Lake is committed to providing an open and transparent equipment rental process.
- 3.3 The City of Cold Lake recognizes that there are risks associated with renting City owned equipment to the public. The City wishes to take measures to manage and reduce these risks as much as possible, while providing the opportunity for the public to access particular City equipment.
- 3.4 The City of Cold Lake acknowledges that clarifying who is responsible for management and administration of equipment rentals supports transparent, timely, and effective implementation. As such, the Chief Administrative Officer or delegate is the central manager of equipment rental at the City of Cold Lake.

4.0 Managerial Guidelines

- 4.1. Definitions

- 4.1.1. “Rental Equipment” means the City owned equipment listed in Appendix “A” to this Policy.
- 4.2. Equipment Available for Rent
 - 4.2.1. The City may make the Rental Equipment listed in Appendix “A” available for rent to the public.
- 4.3. Rental Fees
 - 4.3.1. The Rental Equipment shall be rented at the prices listed in Appendix “B”.
 - 4.3.2. The City shall collect 100% of the rental fees prior to releasing the Rental Equipment to the Renter.
- 4.4. Damage Deposit
 - 4.4.1. Notwithstanding City staff supervising the rental equipment, the City shall collect a damage deposit prior to releasing the Rental Equipment to a renter.
 - 4.4.2. The damage deposit shall be \$1000 for the mobile stage, BBQ, bleachers and movie screen and \$500 for all bouncers and fixed stage. Deposits will be returned after the rental and post inspection is completed.
- 4.5. Selection of Renter
 - 4.5.1. Rental Equipment shall only be available for rent when it is not otherwise being used by, or needed by, the City.
 - 4.5.2. Rental Equipment shall only be rented to organizations, not to individuals.
 - 4.5.3. Generally, renters shall be selected on a first come-first serve basis, however, the City reserves the right to:
 - 4.5.3.1. refuse any renter who is not in good standing with the City of Cold Lake;
 - 4.5.3.2. restrict the rental of certain Rental Equipment to organizations benefitting the City of Cold Lake;
 - 4.5.3.3. restrict the rental of Rental Equipment for use within the City of Cold Lake only;
 - 4.5.3.4. refuse a rental on the basis that City operational requirements do not permit City staff to be available for inspections, transportation, erection, maintenance or supervision of the Rental Equipment.
 - 4.5.4. Should a rental date not be available due to a prior booking, the City shall maintain a waitlist of interested renters and contact the waitlist should the equipment become available.
 - 4.5.5. A calendar for booking will be kept by the Department of Community Services. The calendar will include: start and end dates of rental, the renter’s name, phone number and mailing address.
- 4.6. Rental Term
 - 4.6.1. The maximum rental duration of rental to for-profit organizations will be for five (5) days unless otherwise approved by the CAO or delegate in writing. The maximum duration for rental for non-profit organizations will be for two (2) days with the equipment being delivered on its first day of use unless otherwise approved by the CAO or delegate in writing. Duration of the rental will be stipulated in the signed rental contract.
- 4.7. Rental Contract

- 4.7.1. Every Rental Equipment contract shall be drafted by the City and must include the following terms:
 - 4.7.1.1. Identification of the Rental Equipment including equipment specifications;
 - 4.7.1.2. Term for the Agreement;
 - 4.7.1.3. Rental fee;
 - 4.7.1.4. Damage Deposit;
 - 4.7.1.5. Any responsibilities for transportation of the Rental Equipment including any applicable fees;
 - 4.7.1.6. Any special requirements for set up/operation of the Rental Equipment including requirements of certified technicians if applicable and any applicable fees;
 - 4.7.1.7. Any restrictions or responsibilities for Rental Equipment use, including but not limited to requiring:
 - 4.7.1.7.1. The renter respect all safety procedures and comply with all applicable restrictions, instructions and laws;
 - 4.7.1.7.2. The Rental Equipment only be used by the Renter for the identified event/use;
 - 4.7.1.7.3. The renter not deface or damage the Rental Equipment.
 - 4.7.1.7.4. The renter shall hold a valid training certificate if required to operate or set up/tear down the Rental Equipment.
 - 4.7.1.8. Insurance requirements of the renter to have at minimum comprehensive general liability insurance of \$2,000,000 and property insurance not less than the replacement cost of the Rental Equipment naming the City of Cold Lake and its officers, employees, agents and volunteers as an additional insured.
 - 4.7.1.9. Requirements for the condition of the Rental Equipment's return including potential damage or cleaning costs.
 - 4.7.1.10. Liability clause which stipulates that rental and use of the equipment shall be at the risk of the Renter.
 - 4.7.1.11. Contract termination clause.
 - 4.7.1.12. Indemnification clause whereby the Renter indemnifies and holds harmless the City from any claims or losses related to the equipment rental and/or use.
- 4.8. Pre-Rental Risk Management Measures
 - 4.8.1. Prior to releasing any Rental Equipment to a renter, the Programs and Services Manager is responsible to ensure that the following documents are within the City's possession:
 - 4.8.1.1. a fully executed and completed Rental Equipment contract;
 - 4.8.1.2. the full rental fee;
 - 4.8.1.3. the full damage deposit;
 - 4.8.1.4. an insurance certificate with the required coverage as specified in the rental contract;
 - 4.8.1.5. a fully executed and completed pre-rental inspection form;
 - 4.8.1.6. a fully executed and completed orientation/training checklist.
 - 4.8.2. Rental Equipment shall be inspected by a designated City of Cold Lake employee prior to being rented. The City approved pre-rental inspection form

- must be filled out completely identifying any deficiencies related to the Rental Equipment.
- 4.8.3 The City shall provide the renter with an orientation/training for the Rental Equipment prior to releasing the Rental Equipment. The City approved pre-rental orientation/training checklist must be filled out completely identifying all areas where the renter has been provided information about the Rental Equipment. The City shall also provide the renter with written instructions.
- 4.9 Post-Rental Risk Management Measures
- 4.9.1 Upon the return of the Rental Equipment, the Rental Equipment must be inspected by a designated City of Cold Lake employee. The City approved post rental inspection form must be filled out completely identifying any deficiencies related to the Rental Equipment.
- 4.9.2 Should any deficiencies be observed, the City shall reduce the damage deposit accordingly, and/or seek other avenues to recoup any costs pertaining to the deficiencies.
- 4.10 Discretion to Waive Requirements
- 4.10.1 Any of the requirements of this policy may be waived, in writing, at the discretion of the Chief Administrative Officer.
